<i>Make your Vet appointment</i>	Per our contract, puppy needs initial Veterinarian visit within 3 business days of pick up. Health Records will be provided to you.
<i>Investigate Pet Insurance</i>	Trupanion.com offers no waiting period if enrolled online within 1st 24 hours. *A breeder code will be provided to you at pickup.
<i>Buy Wire Crate</i>	We buy ours at amazon.com or chewy.com. This will serve as a safe place for your puppy. We do NOT recommend a corral. This breed climbs; the corrals are worthless after 9 weeks of age. The crate will help with continuing training and keep your puppy safe. You save about \$50 buying the crate online. <a href="https://www.chewy.com/frisco-heavy-duty-double-door-dog/dp/137164">https://www.chewy.com/frisco-heavy-duty-double-door-dog/dp/137164</a> Buy crate with 2 doors and a divider. 42" L X 28" W X 31" H or 48" L X 30" W X 33" H Note that the stated packaging weights may be larger than your puppy will be. This breed stretches out when they sleep we don't want paws poking through the crate and the dog being injured. We will provide a go home sleeping crate for puppies 8-11 weeks of age

The toy designs change but they normally have good options. Also, the proceeds go to a children's charity. Be sure to pick one that doesn't have plastic eyes. We prefer these over "puppy" stuffed toys because they don't have squeakers. We will send one home with your puppy, but here is the link if you would like to purchase a replacement <a href="https://www.kohls.com/product/prd-3491715/kohls-cares-jeffers-whale-plush.jsp?prdPV=1">https://www.kohls.com/product/prd-3491715/kohls-cares-jeffers-whale-plush.jsp?prdPV=1</a></p> <p>We do not give the puppies/dogs stuffed toys with squeakers. It encourages them to be destructive. They will eat the squeakers and then you must be sure the squeaker came out, one end or the other! We also do not use Kongs. Puppies can easily get their tongue jaw stuck in them.</p>
